YI DI TONG FENG YOU

YI DI TONG FENG YOU is a pain reliever. It is effective for sore neck and shoulder headache, dizziness, cold, flu and blocked nose. It helps to ease breathing for good sleep.

DIRECTION :

Rub oil on affected area, massage gently and if necessary, increase the volume. Alternatively put oil on handkerchief, place it on the nostrils and breath in deeply. To clear blocked nose quickly rub oil on both sides of the nostrils. Rub above the eyebrows and massage onto the protuberance.

ATTENTION :

- 1) FOR EXTERNAL USE ONLY. Avoid contact with eyes and mouth. If embrocation gets into eyes or mouth, use clean water to wash. If swell, irritation or rashes occurs consult a doctor. Not to be applied on children below two years old. For pregnant or nursing a baby, seek advice of a doctor before using this product.
- 2) YI DI TONG FENG YOU may cause allergic (redness, rashes or swell) in some individuals with sensitive skin. Test on a small area before using this product. Stop using when allergic occurs, consult a doctor immediately if condition get worsen.
- 3) Remember to screw the lid tightly after each use and store in a cool dry place away from highly inflammable objects.

CAUTION :

Please keep this embrocation beyond the reach of children.
